To: Permittee, Public Health Service Import Permit

Subject: Approval to import etiological agents, hosts, and vectors

Your Public Health Service (PHS) import permit is attached with this letter. The PHS import permit is valid only for the material(s), locations and conditions described in your application. Please be reminded that a person may not import into the United States, nor distribute after importation, any etiological agent or any arthropod or other animal host or vector of human disease, or any exotic living arthropod or other animal capable of being a host or vector of human disease unless accompanied by a permit issued by the Director, Centers for Disease Control and Prevention (CDC).

Please be reminded that the permittee must ensure that:

1. The enclosed import permit and labels are forwarded to the shipper(s). The enclosed permit and labels may be photocopied if more are needed.
2. The shipper includes the PHS import permit with the shipping documents and the enclosed label (or copy of label) should be affixed to the outer shipping container.
3. A record of each importation (including permits and shipping documents) is maintained.
5. The shipment of etiological agents, hosts, and vectors must be packaged, labeled, and shipped in accordance with all federal and international regulations. Please note that the issuance of an import permit is not an authorization to hand carry the material.

Please also note that other permits may be required for the importation of etiological agents, hosts, and vectors. If you have questions regarding this correspondence, please contact CDC Etiologic Agent Import Permit Program at (404)718-2077 or visit our website at <http://www.cdc.gov/od/eaipp/>.
